presents the annual

Learn to Row Experience!

Spokane River Rowing Association (SRRA) is the area's local rowing club. Founded ten years ago, we have introduced many new rowers to this wonderful sport. Some of our members row simply for fun, while others are more competitive and compete in races. SRRA welcomes male and female rowers over the age of 18. The current ratio of male to female is 50/50 and we have rowers that range in ages 18 to 60+.

Don't make excuses, this is the year that you push yourself to new goals, and new experiences. Sign up for Learn to Row today!
